A Work in Progress

Welcome to the new bulletin design.. As I mentioned earlier, our contract with LPI expired and that gave us an opportunity to look freshly at things. We are also keenly aware that different people use the bulletin differently. More and more things are readily accessible on the internet, but not all people yet use it. For those who do rely on internet for ease of information remember these links:

The Vatican

This format will allow us to have a weekly bulletin in the summer, but we have to be more economical with words. Remember, our bulletin deadline is still Wednesday Noon.

Happy summer, happy travels, and happy journey to Pentecost!

Blessings, Fr. Bob

Special Collection Letter

Dear Sisters and Brothers in Christ,

On the weekend of May 28, our diocese will take up a collection for the **Catholic Communication Campaign (CCC)** and the **Catholic University of America (CUA)**.

Your donation to CCC helps bring the gospel message to the public square and invite all to encounter the love of God. As people access more and more information on mobile devices, there is an increased need to provide faith resources on these platforms, for example free podcasts of daily readings and email subscriptions in both English and Spanish so people everywhere are able to experience the Scriptures and are never far from the Word of God. Half of the funds collected will remain here in the diocese to fund our local communications projects such as the Sunday Television Mass. The other half will fund national communications efforts and international projects in developing countries.

Your donation to CUA, the one and only national university of the Catholic Church in the United States, will provide scholarships to support highly qualified students in their intellectual growth. CUA strives to nurture, grow, and develop global citizens and leaders with the singular ability to think and act with purpose, through both reason and faith, the kind of citizens and leaders needed by the Church and the world now more than ever.

Thank you for your ongoing generosity. Your support of the Catholic Communication Campaign and Catholic University of America will help to enrich society and invite all to encounter the love of God.

Sincerely yours in Christ,

Most Reverend Joseph A. Pepe, D.D., J.C.D.
Bishop of Las Vegas
