**Special Collection: July 22, 2018**

One of the primary responsibilities of the Catholic Church is to provide parents with the opportunity to form and educate their children in a Catholic school environment. Our Diocesan Catholic schools are established to meet this need and to offer a solid foundation both in academics and Catholic values.

Our schools serve not only the parishes to which they are attached, but also all families in the Diocese.

In past decades, our Catholic schools were beneficiaries of the Sisters, Brothers and Priests who staffed the teaching and administrative positions within the school.

Today we depend upon the many professional teachers, administrators and staff who are dedicated to continuing the Catholic education apostolate.

This vitally important lay apostolate must also be accompanied by compensation that is worthy of this calling.

In recent years, our Catholic schools have faced rising operational costs and capital needs, resulting in a corresponding increase in tuition rates.

We also realize that this financial burden presents an increased challenge to families hoping to have their children attend Catholic school.

The Diocese of Las Vegas designates a second collection each year for elementary school scholarships. This year's collection will be taken on the weekend of July 21st and 22nd. An impartial assessment process is used to determine eligibility for scholarship assistance.

I ask you to please be as generous as possible. Through your support of this collection, young minds and hearts will be given the opportunity to receive the Catholic faith and academic formation they deserve.

With gratitude for your continued generosity, I remain

Sincerely yours in Christ,  
+George Leo Thomas  
Bishop of Las Vegas
